1. Background

The HoA DRIVE Project is implemented by the Project Implementation Unit (PIU) of the Ministry of Finance, Federal Government of Somalia, with financing from the World Bank. Public handover ceremonies were organised in each target district. This report covers the ceremonies in Galmudug: Dhusamareeb, Cadaado and Galkacyo. Rasmi Logistic Service was contracted by the PIU to provide fridge handling and car hire for these ceremonies, and the fridges were supplied by the project.
