1. Background

The HoA DRIVE Project is implemented by the Project Implementation Unit (PIU) of the Ministry of Finance, Federal Government of Somalia, with financing from the World Bank. Under the project, solar-powered fridges are provided to women milk vendors so they can keep milk fresh, reduce spoilage and increase income from milk sales.

Public handover ceremonies were organised in each target district. This report covers the ceremonies in Galmudug: Dhusamareeb, Cadaado and Galkacyo. Rasmi Logistic Service was contracted by the PIU to provide fridge handling and car hire for these ceremonies, and the fridges were supplied by the project.

2. Summary

In Galmudug, Rasmi Logistic Service supported fridge handover ceremonies in **3 districts** (ceremony dates: Dhusamareeb: 23 Aug 2026; Cadaado: 23 Aug 2026; Galkacyo: 17 Aug 2026). A total of **200 families** received their fridges.

Districts	Families	Region	Dates
3	200	Galmudug	17 – 23 Aug 2026

Services delivered in Galmudug:

- **Fridge handling at the handover** in all 3 districts.
- **Car hire for staff and officials within the city,** in all 3 districts.
- **Media coverage** of the ceremony in all 3 districts.

3. Scope of Services

The table sets out the services under the contract and where each was provided in this area. The fridges were supplied by the project; Rasmi's role was fridge handling at the handover and car hire for staff and officials.

Service	Description	Coverage
Fridge handling	Handling the fridge equipment at the venue and helping each family carry their fridge after handover.	All 3 districts
Car hire	Car hire for moving staff and officials within the city.	All 3 districts
Media coverage	Photography and video coverage of the ceremony. Links and details are in Annex A.	All 3 districts

	Total		**200**	**3**	**3**	**3**

5. Logistics and Coordination

Each district in Galmudug was planned and run as a separate deployment, with the same service standard applied at every site.

5.1 Car hire

- **Within city:** car hire to move staff and officials between their base and the ceremony venue. The fridges were not transported by Rasmi.

5.2 Ceremony steps

1. **Prepare:** confirm the district plan, date, venue and car hire with the PIU focal point.
2. **Mobilise:** move staff and officials to the venue by hired car and set up the venue.
3. **Hand over:** fridges handed over to the 200 beneficiary families in Galmudug; handover list signed.
4. **Carry:** team helps each family carry their fridge from the venue.
5. **Record:** photo and video coverage of the ceremony.
6. **Close:** wrap up on site and confirm the outcome with the PIU focal point.

5.3 Coordination with the PIU

Rasmi kept regular contact with the project focal point, Abdulkadir Hussein Hassan, before and during each ceremony to confirm dates, venues and arrangements.

6. Media Coverage

Photo and video coverage was provided at all 3 ceremonies in Galmudug. Links and details for each district are in Annex A.

7. Challenges and How They Were Managed

Challenge	How it was managed
Getting staff to the venue	Scheduled car hire so staff and officials arrived in time to set up.
Security and access	Coordinated movements with the project team and local authorities, and kept travel and set-up within safe working hours.
Carrying fridges	Team helped each family carry their fridge so the equipment reached them safely.
Consistent quality	Used the same service checklist in every district.

8. Conclusion

Rasmi Logistic Service supported the handover ceremonies in Galmudug, in which 200 families received solar fridges. Each ceremony is a practical step towards safer milk storage, less spoilage and stronger incomes for families who depend on milk sales.

We thank the Project Implementation Unit, Ministry of Finance, and the project focal point, Abdulkadir Hussein Hassan, for their support throughout.
